December 2012-Present

University of Waterloo

- Worked alongside Dr. Satvat in behavioral neuroscience research laboratory with animal models in the Public Health Department
- Performed several laboratory procedures and worked with sophisticated lab equipment

Waterloo Public Interest Research Group

January 2014-Present

University of Waterloo

- Work to support students and community members to research, educate, and take action on social and environmental justice issues.
- Help organize events and promote WPIRG events and projects to students, campus clubs, student societies and faculties.

RuffaloCody-Development Associate

January 2013 – Present

University of Waterloo

- Worked with a team of associates to reach out to the Waterloo Alumni for faculty specific fundraising
- Helped promote faculty projects and individually raised more than \$20,000

Student Staff
Ontario Science Center

March 2009 – May 2009

- Helped conduct various science activities and experiments to visitors at the building
- Hosted different programs and exhibits alongside a team of staff

VOLUNTEER EXPERIENCE

English Conversation Partners Program, University of Waterloo

- Practiced English conversational skills by meeting and supporting international student's transition to University of Waterloo
- Provide an opportunity to practice speaking and listening, expand vocabulary, learn conversational etiquette and Canadian culture, work on pronunciation and grammar, and increase confidence

Hospital Elder Life Program-Grand River Hospital, Waterloo

- Worked for the Hospital Elder Life Program (HELP), working to promote good mental health
- Worked directly with patients to provide socialization, feeding assistance, early mobilization and therapeutic activities

Flu-Clinic Volunteer, University of Waterloo

- Help people to complete medical forms and guide them to the designated location of the clinic at University of Waterloo
- Worked alongside nurses to help set out vaccines from storage

Peer health Educator, Health Services, University of Waterloo

- Worked with a team to promote and raise awareness about good mental health around campus
- Worked with students and provided them with strategies to practice good mental health in University of Waterloo
- Initiated various events for students to participate in to promote physical activity

Students Justice for Pakistan, University of Waterloo

- Helped fundraise a number of events to help out the declining circumstances in Pakistan
- Promoted discussions on important issues that surround health and education in Pakistan
- Help address the issues surrounding political instability in Pakistan

First Mentors-Big Brothers Big Sisters, Milton

- Worked as a mentor and tutor for children who are challenged with daily school work in elementary school
- Help promote confidence by organizing various sports and drama activities

Youth Program, Milton

- Worked as a leader representing the voice of youth in Milton
- Attended weekly meetings to discuss issues that the youth encounter and any possible interventions that could help solve issues
- Suggested ideas and organized town activities that promoted youth participation in the community
